From the information noted in the application for OPA and Zoning By-law Amendment for a townhouse multiple dwellings, long term care facility and retirement home uses on this property, it has been determined that **neither section 57 (Prohibited Activities) nor section 58 (Regulated Activities)** applies on the above-noted property, pursuant to the *Clean Water Act, 2006*

Consequently, **no policies apply to the activities identified in the application**, under the approved Source Protection Plan for the Saugeen, Grey Sauble, Northern Bruce Peninsula Source Protection Region (effective July 1, 2016). However, it is important to note that the above property is located within the Events-base Area for the Meaford Drinking Water System, whereby the storage of **fuel greater than 2000 litres** is prohibited. If the applicant is considering the installation of back-up power generation using liquid fuel, and/or the storage of liquid fuels on this property, the total amount of fuel stored must be **less than 2000 litres or would require a risk management plan**. If fuel storage activities are planned for this property, please contact this office.

If any activities or operations on this property change, please contact this office. If you have any questions, please contact this office (519-470-3000 or toll-free 1-877-470-3001) or via email at k.gillan@greysauble.on
