Notice of Appeal Received for Skydevco Inc., and July 18, 2022 Special Council Meeting Cancelled

On July 13, 2022, the Clerk for the Municipality of Meaford received a Notice of Appeal to the Ontario Land Tribunal for the Zoning By-Law Amendment Application Z04-2021 from the legal representatives for Skydevco Inc. This is for the proposal located at Boucher Street East and Fuller Street.

As a result, the noted application by Skydevco scheduled for consideration by Council at the special meeting on Monday July 18, 2022 cannot be heard, as it is now under the jurisdiction of the Ontario Land Tribunal. The Special Council has therefore been cancelled.

The Ontario Land Tribunal adjudicates matters related to land use planning, environmental and natural features and heritage protection, land valuation, land compensation, municipal finance, and related matters.
