

## Notice of Virtual Public Information Centre

March 4, 2021

### Replacement of Structure BR-015 (Gillies Bridge)

This notice is to advise that the Municipality of Meaford is progressing with the replacement of Structure BR-015, also known as the Gillies Bridge, located on Sideroad 3 west of Grey Road 29 over the Big Head River.

The detailed design is nearing completion, and construction bidding is expected to open in March, 2021. Pending budget and Council approval, it is anticipated that construction will start in June and will be complete by November of 2021.

Representatives from the Municipality and Ainley Group will be hosting an online Public Information Centre (PIC) on **Thursday March 18<sup>th</sup>, 2021 from 6:00 to 7:00 p.m.** to present details of the project, including the following:

- Justification/need for the project;
- Proposed bridge replacement design; and

- Construction schedule and impacts, including detour routes.

There will also be an opportunity provided for questions and comments during the online event.

Due to the ongoing COVID-19 pandemic, the PIC will be held virtually through a Microsoft Teams Live Event. You can register for the event at [www.meaford.ca/gilliesbridge](http://www.meaford.ca/gilliesbridge). Once you register, you will receive an email with details on how to join and participate in the meeting. Please note that you do not require the Microsoft Teams application to participate, but you will need a computer and access to the internet. The PIC will be recorded and made available on the Municipality's website following the meeting for those who are unable to attend.

If you have any questions or concerns regarding this project that you would like to discuss, please contact one of the team members below.
