#begreenmeaford #trashtag

Share all the ways you are "being green" this Earth Day! Snap a picture and use the hashtag #begreenmeaford Pictures may be used for promotional materials or on our website!

Tuesday, April 23

Homemade Easy Care Herb & Veggie Planters Workshop
Meaford Hall Galleries - FREE
Julie Lamberts of By The Bluffs

6pm-8pm

Learn the essential components of a self-watering container garden using what's on hand in your own home. Each participant will build their own self-watering container garden during the workshop. Please bring: one container (i.e. Rubbermaid) or large flower pot at least 12" deep that can hold water, tall yogurt container, pvc pipe-same height as container or 1-2 inches taller, with one end slightly cut diagonally. Spaces limited. Pre-registration required at <https://perfectmind.meaford.ca> or 519-538-1060 x1203.

Tuesday, April 23 - Saturday, April 27

Saturday, April 27, 2019 10am - 2pm

Meaford & St. Vincent Community Centre 151 Collingwood Street

Pick up a recycling bin at the Eco-Fair!

Stop by the Municipal table to hear all about municipal initiatives and programs.

- Recycling & Composting
- Leaf & Yard Waste Facility
- Battery Recycling & Goods Exchange Day
- Bale Wrap & Film Plastic Recycling
- Household Hazardous Waste Depot
- Electronic Waste
- Curb Side Bulk Item Pick up
- The Blue W
- Clean-Up Green-Up Campaign

In the Municipality of Meaford, you can refill your water bottle at any of these locations as part of the Blue W Program:

- Meaford Hall
- Memorial Park
- Blue Dolphin Pool
- Meaford Harbour
- Meaford Museum
- Municipal Administration Office
- Meaford WTP (Grandview Drive)
- Simply Unique Flowers & Gifts
- Sail Restaurant & Catering Co.

If your business would like to be a part of this program, please email: water@meaford.ca

ECO-Fair

10am - 2pm

ECO-Friendly Vendors are a welcome part of the 2019 Fair, each one bringing their own ideas, projects and work. Eco-Friendly Vendors showcase and sell products that are produced from upcycled or recycled products made locally with care of the environment in mind. For more information or a vendor application visit www.meaford.ca/earthweek

Book a vendor table before April 6.

Simona at Transition Meaford
transitionmeaford@gmail.com

In addition to our Eco-Friendly Vendors, we are also pleased to host booths/activities by a range of community groups and services including Municipal Waste Management Services, Meaford & District Fire Department, The Grey Bruce Sustainability Network, the Beautiful Joe Heritage Society, Meaford Public Library and Meaford Farmers Market.

The Living Room 10am - 2pm

The Meaford Public Library offers earth-friendly, drop-in activities for kids and adults of all ages including:

Newsie Gift Bags: Make your own gift bag out of upcycled newspapers.

Seed Exchange: Help the Meaford Seed Library grow. Bring in vegetable and herb seed packages to exchange. Take home new seed packages for your garden.
