**Municipality of Meaford
Tree Permit Declaration**

The undersigned hereby applies for a Tree Permit in accordance with the plans and other information submitted as detailed below:

- (a) The address of the land where the regulated tree to be destroyed or injured is located;
- (b) The name and contact information of the applicant;
- (c) The names and contact information, and written permission, of all owners;
- (d) A plan (or plan of survey) and photograph, showing the location, species, size and condition of each regulate tree to be destroyed or injured;
- (e) The purpose for which the permit is sought and the nature of the proposed or possible destruction or injuring;
- (f) Where there is a discrepancy in the health assessment of the regulated tree to be destroyed or injured, and where the Director so requires, a written evaluation by an arborist of the condition of the regulate tree;
- (g) Where trees are proposed to be retained, and where the Director so require, a tree protection plan identifying the location, species and size of the trees on the land and tree protection measures, including barriers and hoarding, to be implemented to avoid destruction or injuring of, and protect, the trees that are to be retained; and
- (h) Where three or more trees are proposed for destruction or injuring, and where the Director so requires, a landscaping, replanting and replacement Plan.

Submission of an Application shall constitute the granting of permission for the Municipality to enter on the applicant's land for purposes of this by-law.

DECLARATION

I, the undersigned, _____, am the authorized owner/agent of the owner named in the above application and I hereby declare that the statements made by me upon this application are, to the best of my belief and knowledge, a true and complete representation of the purpose and intent o this application.

I hereby do agree when a permit is issued, the Director may impose such conditions as the Director may consider necessary, including (but not restricted) any one or more of the following requirements:

- (a) that the destruction or injuring occurs in a specified manner;
- (b) that each tree destroyed or injured be replaced with one or more replacement trees to be planted an maintained to the satisfaction of the Director in accordance with the Landscaping, Replanting and Replacement Plans approved by the Director;
- (c) that if replacement planting is not achievable on the subject land, it be substituted by a payment of cash in lieu in the amount of \$500.00 per tree destroyed or injured;
- (d) that if the land is not subject to an application filed under the Planning Act, the Applicant provides a written undertaking, release and security to ensure that replacement planting is carried out and maintained in accordance with Landscaping, Replanting and Replacement Plans approved by the Director;
- (e) that the destruction or injuring only be carried out by or under the **supervision of an arborist**; That the tree or trees to be retained by protected in accordance with goo arboricultural practice during the destruction or injuring or other related activities; and
- (f) that specified measures be implemented to mitigate the direct and indirect effects of the destruction or injuring on other nearby trees, land , water bodies or natural areas.

I acknowledge that in the event a permit is issued, any departure from specific conditions, plan, specifications or building locations proposed in the above application is prohibited and such could result in this permit or, if applicable, the building permit being revoked.

Dated the _____ day of _____, 201_____.
