

BURNSIDE

# Bridge 045 Rehabilitation

Consultant: R.J. Burnside & Associates Limited  
Contractor: McPherson-Andrews Contracting Limited

# Bridge 045 Rehabilitation

## Location:

Bridge 045 (Campbell Bridge) is located over Sideroad 13, approximately 0.1km east of Grey Road 12.

## Schedule:

Estimated Start Date:

- May 29, 2023 (with possibility of single lane closures in advance)

Estimated Completion:

- September 29, 2023

# Scope of Work

- Removal and replacement of expansion joint seals.
- Removal and replacement of barrier system.
- Deck top concrete repairs.
- Waterproof and pave.

# How will the project impact you?

## Road Access:

- Bridge will be closed to all traffic during construction starting approximately on May 29, 2023.

## Waste Collection:

- Waste collection will occur normally. Contractor may be required to assist in transporting garbage and recycling to a predetermined collection area. Please ensure house numbers are clearly labeled on all Garbage and Recycling Containers.

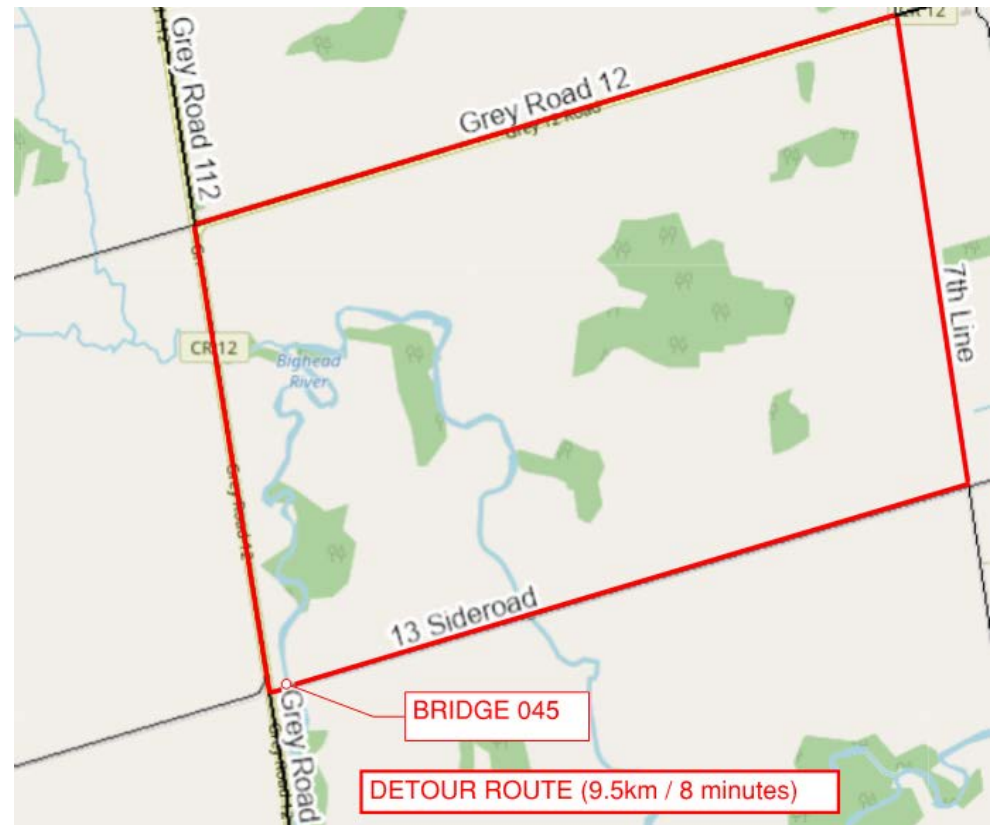

# How will the project impact you?

- Some **noise** should be expected during construction times.
- **Dusty** conditions should be expected during some construction activities.
- **Vibration** due to compaction equipment is not anticipated to be significant.

# Detour Route

The signed detour route around the site will use Grey Road 12 (north/south), to Grey Road 12 (east/west) to 7<sup>th</sup> Line.
