Subject: **Structure BR-045 Rehabilitation**

Dear Property Owner/Resident

The Municipality of Meaford is undertaking a construction project in your area. We would like to share the following information regarding the project and how it may impact you.

### Project Details

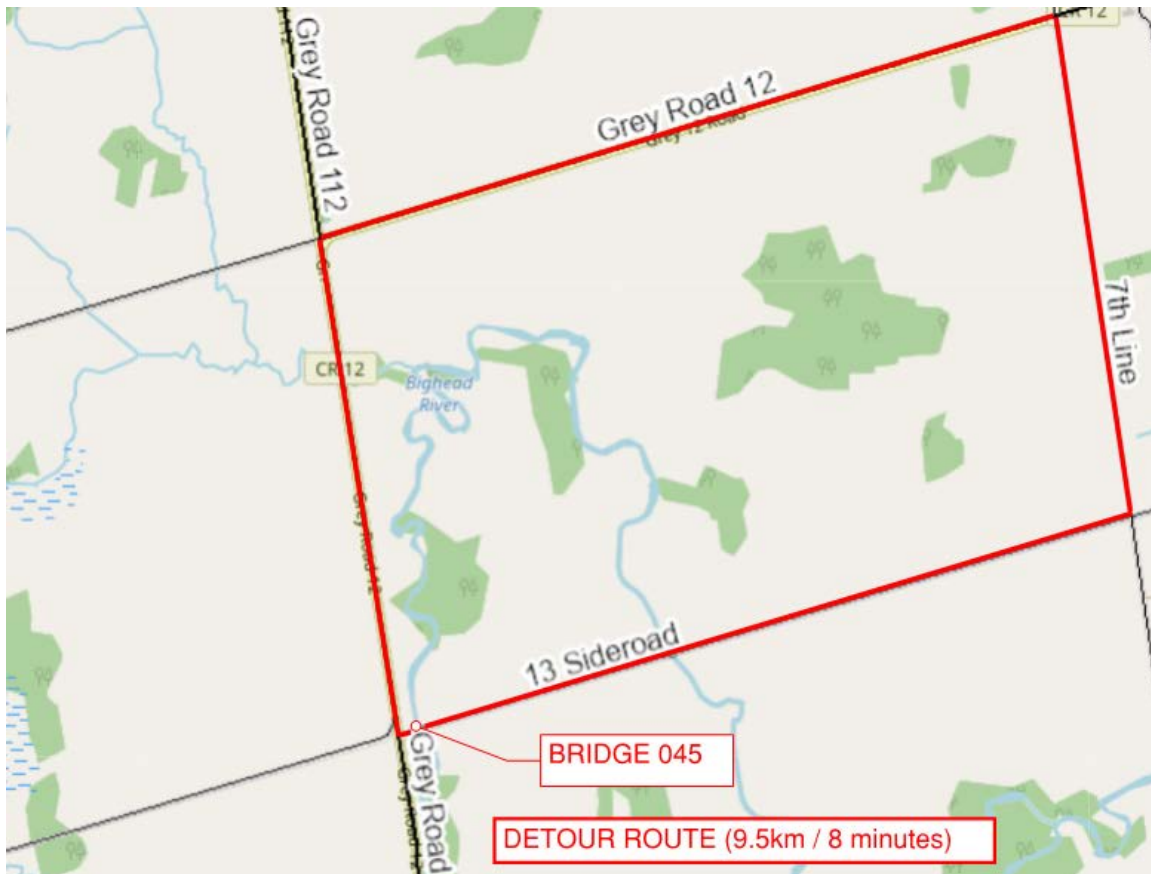

- Location:** Structure BR-045 over the Bighead River is located on Sideroad 13, approximately 0.1 km east of Grey Road 12, in the Municipality of Meaford.
- Schedule:** Anticipated Start – May 2023,  
Estimated Completion – September 2023
- Scope:** Removal and replacement of existing expansion joint seals.  
Removal and replacement of the existing barrier system.  
Concrete repairs.  
Waterproofing and paving.
- Consultant:** R.J. Burnside & Associates Limited (Burnside)
- Contractor:** McPherson-Andrews Contracting Limited (MAC)

### How will the project impact you?

- Road Access:** Structure BR-045 will be closed to all traffic during the construction period including pedestrians and cyclists beginning in May until completion of the work.  
A detour route will be posted to assist residents and visitors.  
Single lane closure may be used in advance of a full closure of the structure.
- Waste Collection:** Waste collection is expected to occur normally, however actual pickup times may vary. The Contractor may be required to assist in collecting and transporting your garbage and recycling to a predetermined collection area.  
Please ensure house numbers are clearly labeled on all Garbage and Recycling Containers to avoid them getting misplaced during waste collection.
- Noise:** Residents and property owners should expect some noise during construction times.
- Dust:** Residents and property owners should expect dusty conditions during some construction activities however efforts will be made to reduce dust as much as possible,
- Vibration:** The possibility of vibrations due to compaction equipment during construction is not anticipated to be significant.

## Map of Proposed Bridge Closure & Detour Route

The signed detour route around the site will use Grey Road 12 (north/south), to Grey Road 12 (east/west) to 7<sup>th</sup> Line, as per the map below:
