ABOUT

Welcome to Meaford Hall Arts & Cultural Centre!

Originally opened in 1909 as the new Town Hall, this historic venue has been Meaford's centre for prosperity and its community cultural hub for well over a century!

Not only was it Town Hall and Council Chambers that doubled as a court room; it also housed the police station, fully equipped with jail cells; the library; and market space overlooking market square. But the building has always included a beautiful Opera House on the top floor with its grand staircase, renowned acoustics, ornate plaster and not a bad seat in the house.

Eventually all services but the theatre vacated the building and in 2006, the Meaford Hall Arts and Cultural Centre is essentially what you see today.

Thank you for considering our venue for your next event! Meaford Hall is the heart of the community and features a variety of rooms to suit all your entertainment, celebration, and corporate needs.

Open year round, Meaford Hall is fully accessible and offers barrier free customer service, washroom facilities, and an elevator that goes from street level to stage level with all stops in between. Accessible seating is available on the orchestra level of the theatre. Lots of parking including accessible spaces.

Our main floor includes the Terrace Room, equipped with projector and screen for meetings and workshops. It also includes kitchen and bar facilities as well as a lovely outdoor terrace, perfect for private events.

Tucked away off the Terrace Room is a boardroom space that provides an intimate and private location for meetings or to gather with a small group.

The Galleries on the second floor are bright and beautiful, creating an excellent exhibit space for artists to show their work. It is also the spot to be for a cocktail before and after the show or to host a special event of your own.

The 330 seat Opera House on the top floor offers balcony and main floor seating, exquisite acoustics, state-of-the-art equipment and highly skilled staff, creating an intimate entertainment experience that is second to none.

From live performances, business meetings, workshops, dream weddings, retirements, or celebrations of any kind, our experienced team will work with you to create a unique and meaningful experience for you and your guests. Additionally, your business supports Meaford Hall's mission as a major contributor to the local economy. Host your next event at Meaford Hall!
