RE: Meaford Council Announces Members of Pumped Storage Advisory Committee

Meaford, Ontario – April 30, 2024 – Meaford Council is pleased to announce the appointment of the members of the Pumped Storage Advisory Committee (PSAC). The committee members represent a diverse cross-section of expertise and experience and will work to facilitate collaborative learning and information exchange regarding TC Energy's proposed Pumped Storage Project.

"The establishment of the PSAC marks a significant step forward in ensuring community engagement and informed decision-making regarding TC Energy's proposed Pumped Storage Project," noted Mayor Ross Kentner. "We are confident that the expertise of the committee members and their dedication to helping Meaford understand and explore this important project together."

The members of the Pumped Storage Advisory Committee are:

- Bob Baranski
- Ginny Ellis
- Howard Fletcher
- Doug Haslam
- Martin Hederich
- Lindy Kingston
- Bob Peel
- David Richardson
- Adam Vaughan

The PSAC will host its inaugural meeting Thursday May 9th. This meeting will include a session with Nigel Bellchamber, an acknowledged leader in the field of effective municipal meetings. Other agenda items include a review of municipal code of conduct, procedural & media protocols, and the PSAC's terms of reference.

Moving forward, the PSAC will host expert speakers and subject matter specialists, including proponents' experts and representatives from communities with similar pumped storage facilities.

Media Release

The PSAC's work will play a crucial role in navigating complex issues related to the proposed project and help empower Meaford Council to make decisions that benefit the community.
