

Notice of Intention to Remove Holding Symbol

The Municipality of Meaford received an application requesting removal of a Holding H5 Symbol, by amending Zoning By-law 60-2009. This application is made under section 36 of the Planning Act.

This matter will be considered at a Council Meeting no sooner than **September 25, 2023**, or at a subsequent Council Meeting, held at Council Chambers, 157859 7th Line, Meaford, Ontario.

This application pertains to a portion of the lands at: 206105 Highway 26 as seen in the Key Map below. See also the reverse side of this notice, for a map of the specific lots considered for Holding H5 Symbol removal.

Figure 1: Key Map

Notice of Council's intention to pass an amending by-law to remove the Holding Symbol is being circulated as required by the Planning Act.

The Holding H5 symbol was added by By-law Number 2021-28, which rezoned the lands for to allow for a residential subdivision. By-law 2021-28 required that the H5 symbol remain in place until a Development Agreement or other applicable agreement was executed to address servicing, traffic improvements and the number of lots in certain areas. This Development Agreement has been now executed, and therefore Council will now consider removing this H5 Symbol from a portion of the lands since in Figure 2. This will allow development of the Phase 1 portion of the subdivision to commence.

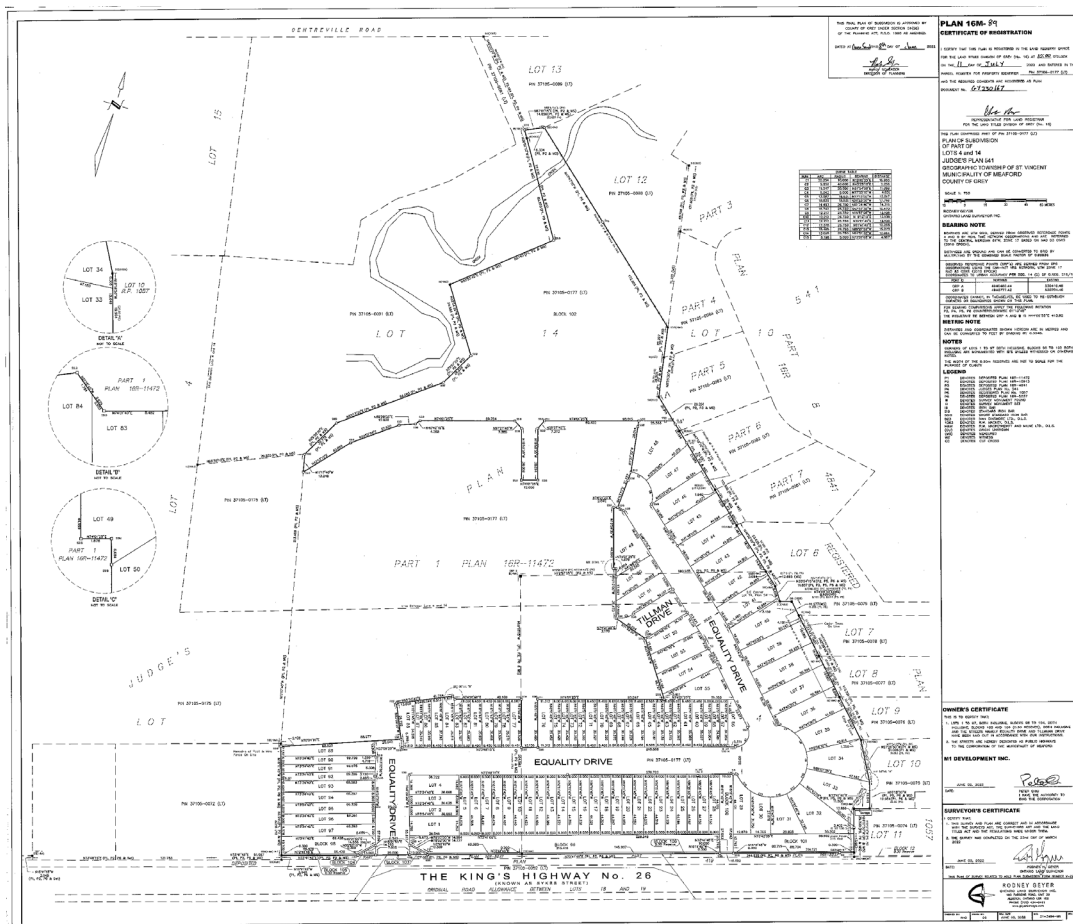

Additional information and material regarding this application are available in the **Development Services Office** (former Meaford Library Building) during regular office hours or through the contact information below:
