Independent Auditor's Report

**To the Members of Council
of the Corporation of the Municipality of Meaford**

Qualified Opinion

We have audited the accompanying financial statements of the Corporation of the Municipality of Meaford - Riverside Community Centre (Riverside Community Centre), which comprise the statement of financial position as at December 31, 2023, the statements of operations and accumulated surplus, changes in net assets, cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Riverside Community Centre as at December 31, 2023, and its results of operations, changes in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the entity derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the organization. Therefore, we were not able to determine whether any adjustments might be necessary to donation and fundraising revenues, annual surplus, changes in net financial assets and cash flows for the years ended December 31, 2023 and 2022, financial assets as at December 31, 2023 and 2022 and accumulated surplus as at January 1 and December 31 for both the 2023 and 2022 years. Our audit opinion on the financial statements for the year ended December 31, 2022 was modified accordingly because of the possible effects on this limitation of scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Riverside Community Centre in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Riverside Community Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Riverside Community Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Riverside Community Centre's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Riverside Community Centre's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Riverside Community Centre's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Riverside Community Centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

December 31, 2023

1. Summary of Significant Accounting Policies

Management Responsibility	The management of the Riverside Community Centre has prepared and is responsible for the integrity, objectivity and accuracy of the financial information presented in these financial statements. The Riverside Community Hall Board reviews and approves the financial statements.
Basis of Accounting	<p>The financial statements of the Riverside Community Centre have been prepared by management in accordance with Canadian public sector accounting standards as established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada, as prescribed by the Ministry of Municipal Affairs and Housing.</p> <p>Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.</p>
Use of Estimates	The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Estimates are used when accounting for items such as accrued liabilities. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.
Basis of Consolidation	The Riverside Community Centre has been consolidated with the financial statements of the Municipality of Meaford.

Notes to the Financial Statements

December 31, 2023

1. Summary of Significant Accounting Policies - (continued)

Financial Instruments	Accounts receivable and accrued liabilities are measured at cost. The carrying amount of each of these financial instruments is presented on the statement of financial position. For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense. All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations. Transaction costs are added to the carrying value for financial instruments measured using cost or amortized cost.
Revenue Recognition	<p>Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.</p> <p>Other revenues are recorded upon sale of goods or provision of services when collection is reasonably assured.</p>

2. Budgets

Under Canadian public sector accounting principles, budget amounts are to be reported on the statement of operations and accumulated surplus and changes in net financial assets for comparative purposes. A budget was not approved in 2023.

Riverside Community Centre
Notes to the Financial Statements**

December 31, 2023

3. Financial Instrument Risk Management

The Centre is exposed to credit risk and liquidity risk from its financial instruments. This note describes the Centre's objectives, policies and processes for managing those risks and the methods used to measure them. Further qualitative and quantitative information in respect of these risks is presented below and throughout these financial statements.

There have not been any changes from the prior year in the Centre's exposure to credit risk or liquidity risk or the policies, procedures and methods it uses to manage and measure these risks.

Credit Risk

The Centre is exposed to credit risk arising from its cash and trade receivables.

The amounts outstanding at year end, which is the Centre's maximum exposure to credit risk were as follows:

	0 - 30 days	31 - 90 days	91 - 365 days	1 - 2 years	3 - 10 years
Cash	\$ 17,047	\$ -	\$ -	\$ -	-
Accounts receivables	645	-	-	-	-
Total	\$ 17,692	\$ -	\$ -	\$ -	-

Liquidity Risk

Liquidity risk is the risk that the Centre encounters difficulty in meeting its obligations associated with financial liabilities. The Centre has sufficient bank balances to extinguish its liabilities.

At year end, the amounts outstanding for the Centre's accounts payable are as follows:

	Within 6 months	6 months to 1 year	1 - 5 years	Over 5 years
Accounts payable and accrued liabilities	\$ 648	\$ -	\$ -	-
