Memorial Park Camp Information

Hello Campers,
We are happy for your reservation and are hopeful for an enjoyable and safe season. Here are the current guidelines for our campers.

Camping Criteria

Please refer to your map for the location. There is no charge for this use to campers.

Parking
Anyone camping at Memorial Park will be provided 1 (one) space for parking per site. This is included with your camping fees. A 2nd vehicle will need a tag at a cost of $10 for the duration of your stay. This can be purchased at time of check-in. Parking for the 2nd vehicle will be available at our overflow parking area. Visitors to Memorial Park can purchase a parking pass through the Park office or the QR code, Honk app, or Honk website by Visa, Mastercard or Visa Debit. Signs are posted in the parking area.

Public Washroom Facilities
There are public washrooms located at the beach area. There are also washrooms with showers located at the upper level camp sites as well as at the park office.

Arrivals and Reservations
Campers **must** check in at the front office before entering the park. When possible, we ask that all reservations be made online through the Camplife Booking Software.

Check-in is at **2 pm** and **Check-out** is at **12 pm**.
The two hour gap is to allow staff to ready the sites for the next arrival. Please respect the check in/out times.

Playgrounds and Horseshoe Pits
There are 2 playgrounds available, 1 at the beach area and 1 in the upper camp ground area.
Horseshoe pits will be available, but you must provide your own equipment. No rentals available.

Picnic Tables / Fire Rings
(1) One picnic table and fire ring will be provided to each campsite. Please do not remove tables from other sites.
It is the responsibility of the camper to disinfect the tables before use.
