

Parking Lot Construction at 28 Nelson Street West

July 30, 2026

Dear Property Owner/Resident

The Municipality of Meaford is undertaking a construction project in your area. We would like to share the following information regarding the project and how it may impact you.

Project Details

Location: 28 Nelson Street West (across the street from LCBO)

Schedule: Anticipated Start: August 10, 2026

Completion: October 2, 2026

Working hours: 7am to 8pm

Scope: Construction of a new public parking facility at 28 Nelson Street West, including asphalt paving, new lighting, stormwater management improvements, and ducting for future EV Chargers.

Contractor: Arc Landscape & Excavation Ltd.

How will the project impact you?

Road Access: Nelson Street West is expected to remain open during construction, however users should expect some delays and reduced on-street parking in front of the lot.

Noise: Residents and property owners should expect some noise during construction times.

Parking Lot Construction at 28 Nelson Street West

- Dust:** Residents and property owners should expect dusty conditions during some construction activities however efforts will be made to reduce dust as much as possible.
- Vibration:** The possibility of vibrations due to compaction equipment during construction is not anticipated to be significant but residents should protect valuables that may be susceptible to damage because of vibration.
- Alternate Parking:** Residents and users of the existing gravel parking lot will have to use alternative parking during construction. The municipal website has a list of available municipal parking lots and streets with on-street parking at:

<https://www.meaford.ca/parking/>

How can you help?

To make things easier to complete the work you can help by:

- Not parking in the granular lot
- Not parking on the roadway directly in front of the construction zone

Additional Information

What is not included: EV chargers will not be installed during this phase of construction but are being planned for the site.
