System Checks

A logic and accuracy testing session of the voting system will occur prior to the election period on a date to be determined by the Clerk and will be open to candidates and media.

Candidates will be invited to attend the opening of the Voting Period beginning at 9:30 a.m. on October 16, 2026. Prior to the activation of the system by the Clerk, the Deputy Returning Officer and those candidates/scrutineers in attendance shall confirm that all candidates' names are listed and that no votes have been cast. The system will not be activated until confirmation that all the counts associated with each of the candidates' names indicate a "0" total. Candidates or their scrutineer in attendance shall be required to sign the "Activation of the Voting System" Form MEL19 to attest to this fact.

Candidates are invited to the closure of the voting system at the completion of voting on October 26, 2026. Should a candidate not be available they may appoint a scrutineer.

Secrecy

All election officials shall take an oath of secrecy and be appointed by the Clerk as per the "Appointment Oath of Election Officials" Form MEL20a.

No person shall interfere or attempt to interfere with an elector while in the process of accessing the Telephone/Internet Voting service or interfere or attempt to interfere in the voting process while using the Telephone/Internet Voting service unless expressly requested and authorized by an elector to provide assistance.

No person shall obtain or attempt to obtain information about how an elector intends to vote or has voted. Any individual requested by an elector to assist him or her in voting is required to maintain the secrecy of the vote(s) cast

by the elector and, if marking the ballot on behalf of the elector, shall vote according to the instructions and wishes of the elector.

No elector shall reveal how they intend to vote while in a Help Centre, except for the purposes of obtaining assistance in voting from either a Friend or an Election Official. Any other person present must withdraw until the voter finishes instructing the Friend or Election Official, as the case may be.

All complaints regarding any and/or all breaches of secrecy shall be documented by the election official as well as questions and answers of the complainant. All complaints regarding breaches of secrecy may be investigated by the proper authorities and may be prosecuted according to the provisions of "Offences, Penalties and Enforcement" under Sections 89 through 94 of the Municipal Elections Act, 1996.

Public Information Sessions

Public information sessions will be held for the purpose of explaining the method of voting and responding to questions from the electorate. The sessions will be advertised and noted on the website.

Preparation of Voter Information Letters

The Voter Information Letters will be prepared using the Voters' List as amended.

Voter Information Letters shall be delivered to Canada Post and distributed by first class mail to all eligible voters on September 30, 2026 to enable them to use the Telephone / Internet Voting service.

Each person on the Voters' list shall be mailed a sealed Voter Information Letter containing, at minimum:

- the elector's voter credentials as well as the telephone number to call to cast his or her vote and the designated internet address to access to cast his or her vote using the Internet;
- instructions on how to vote;
- dates and hours of voting;
- the location and operating hours of the Help Centres;
- voter eligibility criteria;
- office and candidate information; and
- information on illegal and corrupt practices under the Act.

A person cannot give his/her Voter Information Letter to another eligible elector for the purpose of voting. Acceptance of another person's Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provision under the Act, specifically s.89 and s.90.

Sealed Voter Information Letters returned to the Municipal Office shall remain sealed, shall be marked "returned mail" and be maintained in a secure fashion and destroyed at the same time as all other Municipal Election material as provided for under Section 88 of the *Municipal Elections Act, 1996*.

Should a Voter Information Letter be returned to the Municipal Office that has been opened but has not been used for voting purposes, the Election Official shall immediately disable the PIN so that the PIN cannot participate in the voting process. In this circumstance, the Voter Information Letter shall be marked "unused" and be secured and destroyed as all other Municipal Election material as provided for under Section 88 of the *Municipal Elections Act, 1996*.

The Clerk in partnership with Simply Voting Inc. shall take appropriate measures to ensure that all Voter Information Letters and their associated PINs are accounted for throughout the election and after the conclusion of the Voting Period. After the conclusion of the election, Simply Voting Inc. shall supply the Clerk with a report detailing the status of all VILs/PINs during the election.

Voting

Voting will commence on October 16, 2026 at 10:00 a.m. and end on October 26, 2026 at 8:00 p.m.

Eligible electors will receive voter credentials distributed via Canada Post, or through alternate means as deemed necessary by the Clerk, in a sealed and personalized Voter Information Letter. Prior to voting, electors will be required to confirm that they are an eligible voter, complete a security prompt and key in their voter credentials contained in the Voter Information Letter as well as their date of birth. Every eligible elector shall be limited to one ballot for all races and questions, for which they are entitled to vote.

Electors may vote using the internet or a telephone, and must complete their ballot using one of these two options. If voting by internet, eligible electors will be able to access a designated internet address and cast their vote. If voting by telephone, electors will be able to call a designated toll-free number to cast their vote by using a cellular or land line, touch-tone telephone but not a rotary dial telephone.

Following the voter's selection for all offices on a single composite ballot, the Voting System shall identify the voter's choices and provide the voter with the option of changing or confirming their vote selections prior to submission.

For the purposes of reporting declined ballots in accordance with Subsection 55(4.1) 2., a declined ballot shall be considered a deliberate choice by the Elector to decline the entire ballot by selecting a 'declined' option on the ballot. A declined ballot is separate and distinct from an under-voted ballot which may or may not include votes for all contests, one contest, or no contests on the ballot.

The Voting System shall not permit a voter to overvote, or to spoil a ballot.

If an elector is interrupted before casting their vote, they may re-commence voting later using the same method or the other method. Once a voter has cast the vote, that voter will not be granted access to Telephone/Internet Voting again. The names of electors who have voted during the voting period will be provided to the Clerk electronically through the Simply Voting system. **It is not possible to determine how an elector has voted.**

Voter Credential Issues

If an eligible elector is unsuccessful in accessing the voting system, or has not received their Voter Information Letter, they should visit a Help Centre or telephone the municipal office for assistance. Election Officials will investigate the problem and may issue replacement voter credentials in the circumstances described below.

New voter credentials shall not be given out over the telephone. The voter must attend the Help Centre with proof of identity and residence as prescribed in O. Reg. 304/13 and complete the appropriate form.

1. Unregistered Voter

Eligible voters who attend at a Help Centre and are not on the Voters' List will be able to be added to the list by filling out an "Application to Amend Voters' List" Form MEL14 and providing proof of identity and residence as prescribed in O. Reg. 304/13. Their names will be added to the Voters' List and they will be assigned and delivered a Voter Information Letter containing voter credentials.

2. Replacement Voter Information Letter (PIN unused)

If a person on the Voters' List has lost or not received their Voter Information Letter and the PIN has not been used, they should attend a

Help Centre. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an election official, an oath on "Application for Re-Issue of a Voter Information Letter (Lost and Unused)" Form MEL21 shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued. The issuance of a new PIN will immediately disable any PIN previously assigned to that voter, ensuring voter would have a single set of valid voting credentials.

3. Replacement Voter Information Letter (PIN used)

Where a person on the Voters' List has attempted to vote and their PIN has already been used, they should attend a Help Centre. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an election official, an "Application for Re-Issue of a Voter Information Letter (Used by an Impostor)" Form MEL22 shall be completed by the elector and a new voter information letter containing a new PIN shall be issued. The election official shall advise the elector that once the new PIN has been assigned, the elector must vote immediately at the Help Centre they have attended. The issuance of a new PIN will automatically and immediately disable any previously assigned voter credentials.

4. Incorrect School Board Support on Ballot

Where an eligible voter has received an incorrect Voter PIN in terms of school support, and has not voted in that race, the voter can contact the Help Centre and have the proper category applied to the existing PIN. The elector will be required to provide appropriate confirmation of eligibility and to complete "Application to Amend Voters' List" Form MEL14.

5. Duplicate Voter Information Letters

Should an eligible voter receive more than one Voter Information Letter, the eligible voter may only vote **once** and must return the other Voter Information Letter to the Municipal Office and complete an "Application to Amend Voters' List" Form MEL14 to remove the duplicate name. All electors who vote more than once or who improperly use the Voter Information Letter shall be reported to the Police for further investigation as to possible corrupt practices under the Act.

Exceptional Circumstances – Voter Credential Issues

In exceptional circumstances, at the sole discretion of the Returning Officer, voter credentials may be issued through an alternative method. Eligible electors must satisfy the Returning Officer of their identity and their inability to attend a Help Centre to be issued with replacement voter credentials.

Such situations shall be documented by the Returning Officer with measures to ensure security and privacy of the elector, and integrity of the voting process.

Returned Voter Information Letters

Voter Information Letters returned to a Help Centre shall have the voter credentials immediately disabled in the system so that voter credentials cannot be used in the voting process. The opened Voter Information Letters will then be maintained in a secure fashion and destroyed in the same manner as all other municipal election material as provided for under s.88 of the Act.

Voter Credential Change Log

The Clerk and Election Officials shall ensure a complete audit trail is maintained of all Voter Information Letters:

- that were sent to eligible voters;
- that were returned from the Post Office;
- that were returned by an elector or other individual either opened or unopened but unused for voting purposes;
- that were set to a status that prevented them from being used to vote;
- that were re-issued to an eligible elector; and
- that were assigned by an Election Official to eligible electors that have completed "Application to Amend Voters' List" Form MEL14.

Electors Requiring Assistance (s.52(1)4)

The election official may permit an elector who needs assistance in voting to have such assistance as the election official considers necessary.

1. Oral Oath to Vote with Assistance

A voter who requires such assistance to vote at a Help Centre may ask the Election Official for assistance. The Election Official shall require the voter making the request to take the Oral Oath to vote with assistance on the "Oral Oaths at Help Centre" Form MEL23.

2. Oral Oath of Friend of Elector

In lieu of the Election official providing assistance, the voter may request that a friend accompany the voter at a Help Centre and assist the voter.

Any friend assisting shall be required to take the Oral Oath of Friend of Elector on the "Oral Oaths at Help Centre" Form MEL23. No person shall be allowed to act as a friend of more than one voter at a Help Centre.

Candidates and Scrutineers may not act in the capacity of a friend of elector.

3. Oral Oath of Interpreter

Where a voter requires an interpreter, such person provided by the voter, shall take the Oral Oath of Interpreter on the "Oral Oath at Help Centre" Form MEL23, and shall translate the oaths as well as any lawful questions put to the voter.

Section 8 Count Procedure

At 8:00 p.m. on October 26, 2026, the Clerk will close and deactivate of the voting system. Any person remaining within a Help Centre after 8:00 p.m. will still be permitted to vote. Persons who have gained access to the Voting System remotely through their own device prior to 8:00 p.m. on Election Day will be permitted to complete the voting process, provided that they do so by 8:05 p.m.

At such a time as all eligible electors within a Help Centre have voted and after 8:05 p.m. to ensure no remote voters remain logged into the system, the Clerk shall order the close and deactivation of the Telephone/Internet Voting service and shall also order the generation of the results for each contest.

Section 9 Recount

Any required recount shall be conducted in the same manner as the original count as per s.60 (1) unless ordered otherwise by a judge under s.60 (3). A recount shall take place in the following circumstances:

1. when there is a tie vote where both or all candidates cannot be declared elected (section 56);

Where there is a tied vote for the election of a candidate to an office and both or all of the candidates cannot be declared elected, the Clerk must hold a recount within 15 days after the declaration required by s.55(4)a)b) of the results of the election.

2. if Council or a local/school board passes a resolution or the Minister makes an order requiring a recount (section 57);

Within 30 days after the Clerk's declaration of the results under s.55(4), a Council, local/school board may pass a resolution or, the Minister may make an order requiring a recount.

The recount is to be held within 15 days after the resolution is passed or the order is made. The resolution for a recount must be passed no later than Wednesday November 25, 2026. An order of the Minister must be made within the same time frame. The incoming council or local board is no longer able to make a decision on a recount.

3. when the Superior Court of Justice makes an order requiring a recount (section 58).

A person who is entitled to vote in an election and who has reasonable grounds for believing the election results to be in doubt may apply to the Superior Court of Justice for an order directing the Clerk to hold a recount.

The application must be commenced within 30 days after the Clerk's official declaration of the results under s.55(4). The court, if satisfied there are sufficient grounds, shall make an order requiring the Clerk to hold a recount. The recount is to be held within 15 days after the Clerk receives a copy of the order.

Costs of Recount (s.7(3), 7(4))

The costs incurred by the Clerk to conduct a recount are to be paid by the Municipality. Any expenses incurred by a candidate, such as legal representation, shall be the responsibility of the candidate.

The Clerk shall submit a signed certificate verifying the costs to the appropriate local board, upper tier municipality or Minister who shall in turn be responsible for paying the costs as soon as possible.

Who Conducts Recount (s.56)

The Clerk shall conduct all recounts for elections for which they are responsible except recounts ordered by the Superior Court of Justice upon appeal.

Notification of Recount (s.56, 57, 58 and O. Reg. 101/97)

The Clerk shall give notice of the recount date, time and place to the following:

- all certified candidates for the office which is the subject of the recount;
- where a resolution is involved, the Council or local/school board which passed the resolution;
- the Minister when an order has been made;
- the applicant in the case of a court order;
- notice of recount will be given by registered mail or personal service.

Persons entitled to be Present at a Recount (s.61)

- the Clerk and any other election official appointed for the recount;
- every certified candidate for the office involved or an appointed scrutineer;
- the applicant, if any, who applied for the recount under s.58 or an appointed scrutineer;
- legal counsel for any of the above.

Process at Recount (s.61, 62)

Once the recount process has commenced, it must continue to completion. Upon completion of the recount, the Clerk will announce the results of the recount. Persons authorized to be in attendance at the recount may also be at the announcement of the results of the recount.

Unless an application has been made for a judicial recount, the Clerk, on the 16th day after the recount is completed, will declare the successful candidate or candidates elected or will declare the result of the vote.

Votes for Candidates to be included in a Recount (s.56, 59)

The votes to be included in the recount are as follows:

- In a recount for a tied vote, the votes cast for candidates who are tied;
- In a recount being conducted under the authority of a council or local board resolution, the votes cast for candidates named in the resolution (all or specified candidates);
- In a recount being conducted under the authority of a court order, the votes cast for candidates named in the order (all or specified candidates).

The Clerk may include the votes for any other candidate for the same office. The practical application of this provision would be for the Clerk to include

any candidate whose vote total was, in the Clerk's opinion, close enough to possibly be affected by the recount.

Continuing Tie Vote – After Recount Procedures

Pursuant to s.62(3) in a case of a tied vote following the recount, the Clerk shall determine the result by conducting a lot.

The Clerk shall write the name of each candidate on equal-sized pieces of paper. They are then put in a container as determined by the Clerk. The Clerk shall announce prior to the draw that "the candidate to be elected shall be the candidate whose name is written on the first piece of paper I draw out of the container." The paper is pulled from the container and the candidate elected is announced.

Declaration by Clerk and Notice of Final Certified Results – s.62(4)

Unless an application has been made for a judicial recount, the Clerk on the 16th day after the recount is completed will declare the successful candidate or candidates elected by posting at the Municipal Office and on the website. Such Declaration shall be sent to everyone previously given notice of the recount.

Section 10 Notice of Results

For the 2026 municipal election - the election campaign:

- begins on the day the third party registers for the election (registration must be certified by the Clerk); and
- ends on December 31, 2026.

If the third-party advertiser becomes involved in a compliance audit after the campaign ends on December 31, 2026, the campaign may be recommenced. Once the third-party advertiser notifies the Clerk in writing of the campaign period recommencement, the Clerk shall pay the third-party advertiser any surplus being held in trust for the candidate, together with interest. Where the campaign period has recommenced, the third-party advertiser may incur expenses and accept contributions until June 30, 2027 or where an alternate provision of the Municipal Elections Act has been met under section 88.28(4).

Filing Requirements (s. 88.29, s. 88.30)

All registered third parties are required to file a financial statement using the prescribed form (Form 8). Candidates, whose campaign contributions and total expenses are each equal to or less than \$10,000, are not required to file an auditor's report with the financial statement. A registered third party whose campaign contributions in the municipality \$10,000 or whose total campaign expenses exceed \$10,000 are required to file an auditor's report with the financial statement.

Third-party advertisers also have a maximum amount for parties and volunteer recognition after Voting Day. For the 2026 election, the prescribed formula will use the number of electors on Nomination Day from the 2022 election. The Clerk is to calculate the maximum amount no later than

September 30, 2026. When a third party originally registers, the Clerk is to provide the Certificate of Maximum Amount of Expenses for Parties Etc. After Voting Day (Form MEL27).

- June 30, 2027.
- The day the third party notifies the Clerk in writing that he, she or it will not accept further contributions.

Supplementary filing dates apply where the election campaign period has been extended. The supplementary reporting period is the 6 month period following the year of the election or in the case of a by-election, the

supplementary reporting period is the 6 month period following the 45th day after Voting Day.

Where a third-party advertiser campaign period continues, he, she or it shall file a supplementary financial statement (including auditor's report if required) for the supplementary reporting period on or before 2:00 p.m. on the last Friday in September (September 24, 2027). Campaign Surplus (s. 88.31)

Where a third-party advertiser's financial statement (or supplementary financial statement) indicates an election campaign surplus at the end of the campaign period, the entire surplus amount shall be paid to the Clerk at the time of filing and the Clerk shall hold the monies in trust. If the registered third party subsequently incurs expenses related to a compliance audit, the Clerk shall pay the amount held in trust, with interest, to the third party (s.88.32).

- The campaign period has ended under s.88.28;
- It is no longer possible to recommence the campaign period (s.88.28);
- No compliance audit proceeding has been commenced; and
- The period for commencing a compliance audit proceeding has expired.

Third Party Filing Default (s.88.27(1))

A registered third party cannot participate in the next regular election if;

- They did not file their financial statement;
- There was a surplus and this surplus was not paid to the Clerk;
- The financial statement shows that the third-party advertiser exceeded their expense limit; or
- If a document filed under s.88.32 has a surplus and the third party registered has not paid the surplus to the Clerk by the relevant date.

Clerk to Give Notice of Default (s. 88.27(2))

The Clerk is required to notify the registered third party in writing that a default has occurred and the nature of the default. The Clerk also has to make this information public.

Section 13 Election Records

Candidates

All voter information obtained by candidates during the 2026 Municipal Election shall be destroyed after the election and confirmed in writing to the Clerk. The candidate may return documents to the Clerk for destruction with other election material.

Clerk – Disposition of Records (s.88)

Election records shall be destroyed in accordance with Section 88 of the Municipal Election Act, 1996. Following the passage of 120 days after Voting Day, the Clerk shall, unless a Judge's order or recount request has been received, instruct Simply Voting Inc. to destroy all ballots associated with the election. Simply Voting Inc. will provide written confirmation of same to the Clerk.

The Clerk may also destroy any other documents and materials related to the election in the presence of two witnesses. The witnesses shall complete the "Witness Statements as to Destruction of Records" Form MEL25.

The Clerk shall retain candidates' financial statements and auditor's report until the members of the council or local board elected at the next regular election have taken office. The ballots and any other documents shall not be destroyed if a court orders that they be retained and a recount has been commenced and not finally disposed of.

Section 14 Accessibility

The Clerk shall have regard to the needs of electors and candidates with disabilities.

Accessible Voting

The internet and telephone voting system shall be designed with accessible features to ensure that voters with accessibility requirements can use the system, consistent with the Municipality's principles of dignity, independence, integration, and equal opportunity.

The Clerk shall ensure that each Help Centre is accessible to electors with disabilities and shall establish a roving Help Centre to attend institutional and certain multi-residential buildings to assist with accommodation needs.

Report

Prior to Voting Day, the Clerk shall prepare a plan for the identification, removal and prevention of barriers that affect voters and candidates with disabilities and make the plan available to the public.

Within 90 days after Voting Day in a regular election but no later than Monday, January 25, 2027, the Clerk shall submit a report to Council about the identification, removal and prevention of barriers that affect electors and candidates with disabilities.

Section 15 Emergencies

Pursuant to Section 53 of the *Municipal Elections Act, 1996*, an emergency shall be declared in the event of any circumstance that in the opinion of the Clerk compromises the integrity and/or execution of the election.

In the event of an emergency, the Clerk shall advertise on the municipal website, radio, and social media if possible, and post notices to the extent possible, that the election has been delayed or extended as the case may be.

In the event of an emergency, and a decision by the Clerk, Simply Voting Inc. under direction from the Clerk, shall stop the Voting System from accepting calls via telephone and connections from the Internet, thus preventing the election from continuing or starting as the case may be, or direct Simply Voting Inc. to extend the voting period past the scheduled end time.

In the event the Clerk is unable to be present to conduct procedures on Voting Day, there shall be a substitute qualified person appointed or available to attend to the election details.

Given the options available to electors to vote from any touch-tone telephone or internet-enabled device with an internet connection, any event that results in one or more voting locations becoming unavailable for use on Voting Day (e.g. flooding, power failure) may not be sufficient to cause the Clerk to declare an emergency, delay the vote, open a new voting location, or extend the voting hours.

The Clerk may declare an emergency if of the opinion that circumstances have arisen that are likely to prevent the election being conducted in

accordance with the Act. On declaring an emergency, the Clerk shall make such arrangements as deemed advisable for the conduct of the election. The arrangements made by the Clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

The emergency continues until the Clerk declares that it has ended. If made in good faith, the Clerk's declaration of emergency and arrangements shall not be reviewed or set aside on account of unreasonableness.

The Clerk shall provide notice of such emergency to the best of their ability and in keeping with the circumstance. If required, the Clerk may consider alternate options for any part of the election process. Simply Voting Inc. will take direction from the Clerk as to what actions will be taken.

Section 16 Corrupt Practices

The *Municipal Elections Act, 1996* provides for penalties and enforcement of corrupt practices and other offences during an election process. Penalties can include a fine up to \$25,000, forfeiture of office, ineligibility to run for office in the following election, and/or imprisonment up to 6 months.

Offences, Penalties and Enforcement (s.89 and 90)

The principles and the integrity of the election process are enforceable. Section 89 of the Act provides for penalties and enforcement of corrupt practices and other offences during an election process. These include a person who:

- votes without being entitled to do so;
- votes more times than this Act allows;
- induces a person to vote when that person is not entitled to do so;
- before or during an election, publishes a false statement of a candidate's withdrawal;
- furnishes false or misleading information to a person whom this Act authorizes to obtain information;
- without authority, supplies a voter credentials/ballot to anyone;
- takes, opens or otherwise deals with a ballot without having authority to do so; and
- deals with voter credentials/ballot, without having authority to do so.

No person shall solicit a Voter Information Letter containing voter credentials from an eligible elector. All valid complaints or knowledge of solicitation shall

be reported immediately for investigation of corrupt practices. If a person is convicted of an offence and the offence was committed knowingly, the offence also constitutes a corrupt practice.

Although many provisions of the Act also deal with voting places, ballots and ballot boxes, etc. the same must be used interchangeably with the alternative forms of voting since the principle of the Act must be maintained and is therefore enforceable and subject to penalties.

As such, the Clerk in this alternative form of voting, has agreed to the following rules and regulations:

1. That all complaints submitted in writing about actions which may contravene the provisions of the *Municipal Elections Act, 1996*, will be considered by the Clerk;
2. That all such valid complaints submitting in writing, once deemed by the Clerk to be substantiated, will be submitted to the appropriate authorities;
3. That the Clerk or any Election Official will not attempt to intervene in the prosecution and may be called to give evidence during prosecution.

Notice of Penalties

Section 88.19 of the Municipal Elections Act outlines the details of expenses a candidate may incur. Pursuant to Section 88.20(13), within 10 days after the Clerk has made corrections to the Preliminary List of Electors received from Elections Ontario, the Clerk will calculate the maximum permitted expenses for each office and will provide a Certificate of the applicable maximum to each candidate.

Section 88.25(1) of the Municipal Elections Act states that "on or before 2 p.m. on the filing date, a candidate shall file with the Clerk with whom the nomination was filed a financial statement and auditor's report, each in the prescribed form, reflecting the candidate's election campaign finances,

- in the case of a regular election, as of December 31 in the year of the election; and
- in the case of a by-election, as of the 45th day after voting day."

Section 88.31 of the Municipal Elections Act outlines details of a candidate's "surplus" if contributions exceed expenses and a candidate's "deficit" if the reverse is true.

Section 88.23(1) of the Municipal Elections Act provides that a candidate is subject to the penalties listed in Subsection (2), in addition to any other penalty that may be imposed under this Act, if,

- a) if the candidate fails to file a document as required under section 88.25 or 88.32 by the relevant date;
- b) if a document filed under section 88.25 shows on its face a surplus, as described in section 88.31, and the candidate fails to pay the amount required by subsection 88.31 (4) to the clerk by the relevant date;
- c) if a document filed under section 88.25 shows on its face that the candidate has incurred expenses exceeding what is permitted under section 88.20; or
- d) if a document filed under section 88.32 shows on its face a surplus and the candidate fails to pay the amount required by that section by the relevant date.

Section 88.23(2) of the Municipal Elections Act provides for the following penalties in the case of a default described in subsection (1):

- a) the candidate forfeits any office to which he or she was elected and the office is deemed to be vacant; and
- b) until the next regular election has taken place, the candidate is ineligible to be elected or appointed to any office to which this Act applies.

Section 92(1) of the Municipal Elections Act provides that a candidate is guilty of an offence and, on conviction, in addition to any other penalty that may be imposed under this Act, is subject to the penalties described in subsection 88.23 (2),

- a) if the candidate incurs expenses that exceed the amount determined for the office under section 88.20; or
- b) if the candidate files a document under section 88.25 or 88.32 that is incorrect or otherwise does not comply with that section.

Mail Tampering - Criminal Offence and Prosecution

Notification of the voting process and how electors can vote will be provided in the Voter Information Letter.

The Criminal Code of Canada states that tampering with the mail of an individual is a criminal offence and a person found guilty is liable to a term of imprisonment not exceeding ten (10) years. Since the Municipality's election methods rely on delivery of the Voter Information Letters to eligible electors

in order to allow those electors to exercise their right to vote, any instance or substantiated account of mail tampering will be taken very seriously and reported to the authorities.

In order to ensure the integrity and confidence of the voting process for all electors and candidates, the Clerk agrees to the following rules and regulations:

1. That all complaints about actions which may contravene the provisions of the Criminal Code of Canada with respect to mail tampering, submitted in writing, will be considered by the Clerk;
2. That all such valid complaints, once deemed by the Clerk to be substantiated, will be submitted to the appropriate authorities;
3. That the Clerk or any Election Official will not attempt to intervene in the prosecution and may be called to give evidence during prosecution.

Section 17 Discretionary Powers of the Clerk (s.12)

A Clerk who is responsible for conducting an election may provide for any matter or procedure that;

- is not otherwise provided for in an Act or regulation; and
- in the Clerk's opinion, is necessary or desirable for conducting the election.

Other than the forms prescribed by the Minister, the Clerk has the authority to establish forms, including forms for oaths and declarations that are required to be used. The Clerk's authority also includes the power to require a person to furnish proof that is satisfactory to the election official as to the person's identity or qualifications including citizenship or residency.

The Clerk's authority does not include the power to require a person for the purposes of the procedure set out in section 52(1) to furnish proof of identity and residence in addition to what is prescribed. The discretionary authority provided to the Clerk in the MEA brings with it a degree of risk and inherent liability.

Under the revised MEA, Clerks have expanded powers/discretion, where no Council approval is required in the following areas:

- establishment of advance voting dates, locations and hours;
- establishment of reduced voting hours at long term care facilities;

- management of the Voters' List (additions/deletions/modifications);
- determination of whether filing of financial statements electronically will be permitted and any conditions or limits associated with electronic filing; and
- authority to develop a policy and present to Council for adoption of a by-law by May 1 of an election year to define circumstances under which a recount would be conducted.
