

Notice of Community Information Session for St. Vincent Street Reconstruction

October 15, 2026

St. Vincent Street Reconstruction

Dear Property Owner/Resident/Stakeholder,

The Municipality of Meaford is undertaking a construction project in your area, and you are invited to meet with us, learn about the project, and ask questions about the planned work.

Community Information Session

When: Tuesday October 27, 2026, from 4:00 p.m. to 7:00 p.m.

Where: Meaford Hall - Terrace Room (12 Nelson Street East, Meaford)

Format: Open-house style with presentation boards and support to answer your questions

Presentation material will be available following the session on the municipal website and questions can be submitted to the project team by email, phone, or through the website.

St. Vincent Street Reconstruction

The Municipality of Meaford is planning to reconstruct St. Vincent Street from Marshall Street East to Meaford Harbour (Don Bumstead Drive). The reconstruction work will replace aging and deteriorated infrastructure including, sanitary sewers, storm sewers, watermains, sidewalks, and the asphalt roadway. The work will include the addition of sidewalks to both sides of the roadway.

Construction Schedule: Anticipated to occur between April 2027 and November 2027

Consultant: Tatham Engineering Limited

Parking Options Survey

The Municipality is seeking feedback on parking along St. Vincent Street from Marshall Street to Bridge Street and invites you to complete an online survey and vote for your preferred option. The survey will be available between October 27 and November 27, 2026.
